## Summary

Proficient Frontend Developer with over 4v years of hands-on experience building web and mobile applications. Expertise in React.js & Next.js. Skilled in transforming PSD/Figma designs into responsive web pages and integrating dynamic functionality using HTML, CSS, JavaScript.

Experience spans diverse domains, including e-commerce, betting systems, and general-purpose mobile apps. Graduated in Master's degree in Informatics.

Highly adaptable and dedicated to delivering exceptional user experiences.

## Experience

**ALTECH LABS** | March 2023 - Present

Frontend React Developer ( Full time - OnSite - Tirane, Albania)

Web Applications Development: Designed and developed dynamic, user-friendly web applications using React.js, focusing on responsive and intuitive user interfaces.

Betting Systems: Contributed to the development of betting system platforms, implementing complex workflows, real-time data updates, and secure user interactions.

Collaboration: Worked closely with backend teams to integrate APIs and data, ensuring seamless interaction between frontend components and server-side logic.

**Rutz Systems** | October 2022 - January 2023

Front end developer ( Part time - Hybrid - Tirane Albania)

Internship as Front end developer in React JS on a web application. Also working on React Native on one of the mobile apps they had (BlackTie app) as mobile developer and Firebase DB for communicating with backend datas

**New Media Communications** | June 2022 - September 2022

Front end developer ( Full time - Tirana )

Design to Code Conversion: Transformed static designs from PSD and Figma into fully responsive web pages using HTML, CSS, and JavaScript, ensuring cross-browser compatibility and mobile responsiveness.

Frontend Development: Implemented interactive UI components to enhance user experience, including dynamic front end components and UI designs.

This internship provided valuable hands-on experience in front end development and reinforced the importance of creating user-centric, high-performance websites.
